1	Evans goes by Dan Smith as well and he messages people and harassed them and openly calls them names on pages.	1/31/2025 1:14 PM
2	I think you, Jon Hansen need to stop stirring the pot. I don't think your wife was qualified and yet she sued the township and received \$160,000+. Unbelievable!!!	1/31/2025 10:07 AM
3	Bring back Foor & Carlisle	1/31/2025 12:08 AM
4	Came here in 1977 to get out of Reynoldsburg. Now this little township has turned into a mess. Too old to move now, so have to take what they do.	1/30/2025 9:46 PM
5	Mark Evans is the only transparent trustee that has the back of THE PEOPLE. Roz is awful and power hungry. Burkholder is a rhino. This survey is stupid. When you post the results, I'm curious if you'll share this comment since it does not fill your AGENDA. Evans has been spot on about his issues and those issues need brought to light. This survey is a disgrace to Etna.	1/30/2025 5:05 PM
6	The Etna twp is a embarrassment ever since evan became a trustee !!! This twp has great possibilities by having a state rt and a interstate rt going directly thru but as long as you have people that have nothing to contribute to the development wanting to control then all you have is chaos . People that want to control what goes in should buy it and become invested in the community .	1/30/2025 4:42 PM
7	Everyone needs to grow up and work together. The shit is getting old. The bad outweighs the good and makes in insufferable.	1/30/2025 2:30 PM
8	As a victim of some of Evan's cyber bullying, just asked one question and he started attacking me and saying I was a fake person. And then private messaged me desperately trying to meet with me somewhere. This guy is a creep and I how he doesn't return to the trustee seat for another 4 years!	1/30/2025 2:09 PM
9	Who died and left you in charge? You and a handful of others continue to harass Mark and sometimes Gary. This survey is just another means of harassment.	1/30/2025 2:03 PM
10	Etna needs to shitcan every official and start over. Laughing stock of the area	1/30/2025 1:52 PM
11	The pettiness needs to stop and we are seen as a joke. The trustees need to act professional and stop the middle school antics	1/30/2025 1:20 PM
12	Cannot answer at this time!	1/30/2025 1:01 PM
13	The trustees (collectively) have caused us great embarrassment as a community and should be ashamed. Time to clean house.	1/30/2025 12:36 PM
14	The Carlisle cronies are desperate for attention. Its hilarious to see slanted surveys like this. Enjoy losing in 2025 jackasses.	1/30/2025 9:34 AM
15	Our trustee makes living in Etna a total embarrassment! Get the clowns out of there!	1/21/2025 9:08 PM
16	Roz McKey is where I put my trust.	1/18/2025 3:28 PM
17	Service to community seems to come second to service to personal interests. Elections have consequences and we need to vote better.	1/17/2025 1:59 PM
18	N/A	1/17/2025 1:30 PM
19	Be glad when the next election comes!	1/16/2025 9:35 PM

Etna Township 2025 Trustee Confidence Poll

22	It's time to start researching more about that Township and the trustees Before wanting to start a new business	1/15/2025 8:00 PM
23	My family has been attacked by Mark Evans a number of times and he spreads untruths	1/15/2025 6:48 PM
24	Hej, jeg ønskede at kende din pris.	1/14/2025 9:10 PM
25	Etna needs to spend its money to build a Roman Colosseum and bring back the games of Emperor Commodus. Long live the glory of Rome.	1/14/2025 5:50 PM
26	Etna should be absorbed into Pickerington. Enough of this crap.	1/14/2025 5:31 PM
27	Etna needs to fold into Reynoldsburg and Pataskala. All of the current trustees need replaced, statues changed and a Theological Monarch installed to lead the rebellion of the warehouse rats against the general population.	1/14/2025 5:17 PM
28	The current situation is appalling. This does not help our community. Also property taxes are ridiculously high	1/14/2025 1:12 PM
29	This survey is a joke	1/13/2025 3:08 PM
30	It is deeply disappointing to see how many people seem to blindly follow Mark Evans. I voted for Mark Evans and Chambers for trustee during their election. However seeing how he treated Rozland McKee, someone I didn't vote for, was clearly the behavior of a toxic co-worker. She did not deserve this level of harassment. Fast Forward, I voted for Perkins in this last cycle, and like clockwork we see that Mark Evan's preferred candidate, Burkholder, wins and now months later he cannot stand working with Burkholder either. Mark Evans is someone who is clearly incapable of working with people to get the job done unless they do exactly what he wants at all times. Evans is a terrible trustee, but he does bring value to Etna as an unelected citizen watchdog. And I hope in this next election he loses his seat so that he can go back to serving Etna in that capacity rather than harassing his fellow trustees and township employees.	1/13/2025 10:41 AM
31	Trustee Evans needs to go. Real business can't get done with his constant obstruction, sideshow antics, and Facebook circus.	1/13/2025 5:44 AM
32	Trustee Mark Evans is a menace to Etna Township citizens. A notorious serial liar, he conduct and behavior is an embarrassment.	1/12/2025 11:40 PM
33	All three need to go period, they are an embarrassment to the citizens of Etna Township.	1/12/2025 8:12 PM
34	Not the best survey. Very biased	1/12/2025 2:48 PM
35	All the three trustees must put aside their own agendas and bias and work together for the betterment of the township. This constant bickering and defamation of people must stop. We have already lost so many good people in the office and on boards. Stop tearing down our community! You have the power to do good, use it!	1/12/2025 9:53 AM
36	No	1/12/2025 9:38 AM
37	Who is behind this survey.	1/12/2025 9:36 AM
38	Remove Mark Evans. Cancer for the Township.	1/11/2025 5:58 PM
39	Someone needs to block Evans from the Etna Facebook groups. He acts like a spoiled child trying to get his way and tries to convince everyone he's a saint. I'm tired of his rants and BS.	1/11/2025 5:58 PM
40	You are a fucking moron! Get a life.	1/10/2025 10:16 PM
41	It is a clown show	1/10/2025 6:27 PM
42	Evans is not a professional representative of Etna township and needs to immediately change his behavior or step down.	1/10/2025 3:38 PM
43	Jon hanson is a loser	1/10/2025 1:32 PM
44	Consider contacting the Skubes' who are actual admins on Etna page...they need to know that Jason Robinson is deleting opposing viewpoints, and creating a one sided page for Mark Evans...hard to get info and numbers out...also M.E. thrives on being the "underdog" and the peoples champion...he was elected on the Hagy issue, and knows if he plays victim card	1/10/2025 1:12 PM

Etna Township 2025 Trustee Confidence Poll

people respond...hard to make people understand he supported both Ms. McKee and Mr. Burkholders' campaigns...has turned on almost everyone...

45	Evans has some good ideas but overall no follow through and cannot seem to look at what he could change about himself to improve. Mckee also needs to work on communication and follow through but overall does better than Evans. Burkholder has surprised me but definitely needs to improve on communication and follow through	1/10/2025 12:01 PM
46	You need to replace all 3 trustees honestly to restore any sense of dignity	1/10/2025 12:00 PM
47	Fuck you	1/10/2025 11:06 AM
48	This is the dumbest, most biased, pos survey ever. Give it up crybaby. She was never remotely qualified for the job anyway.	1/10/2025 9:40 AM
49	Communication to the community is lacking and/or nonexistent. Other communities do things 10x quicker than ours ever does.	1/10/2025 8:52 AM
50	Evans is a sick man who needs OUT of the township, we are watching our community get torn apart right in front of our eyes.	1/10/2025 7:27 AM
51	Not very objective, the trustees are collectively accomplishing nothing	1/10/2025 7:14 AM
52	A total lack of leadership and accountability in Etna	1/10/2025 5:06 AM
53	Need to ask if residents are aware that Evans supported the elections of both Roz McKee and Gary Burkholder. If they are that bad, so is his judgement.	1/10/2025 12:49 AM
54	N/A	1/10/2025 12:28 AM
55	Mark Evans is a scumbag.	1/9/2025 11:44 PM
56	It is my opinion that Trustee Evans shows tendencies of narcissism, as well as having a hero complex. Nearly all motions for discussion at the meetings turn into a campaign speech for Mr. Evans. He constantly posts his accusations towards the other elected officials and employees on social media claiming that it is evidence of wrong doing. Trustee Burholder has provided Evans plenty of opportunities to be civil and actually make progress. Instead Evans chooses to argue rather than engage in constructive conversation. Evans also seems to think that he can be both an elected official and private citizen whenever it best suits him or serves his efforts for re-election.	1/9/2025 11:39 PM
57	Etna township is in shambles. I believe all the trustees need to go! Get new people in there. People who respect the township and what we stand for. We don't want all of this building going on. We are a farming community	1/9/2025 10:54 PM
58	Evans needs to resign immediately!	1/9/2025 10:41 PM
59	I hope Evans loses his seat in November.	1/9/2025 10:12 PM
60	Something has to change. We need a plan now. Our future is at stake.	1/9/2025 10:03 PM
61	Etna is a joke. Because of our elected officials.	1/9/2025 9:35 PM
62	Send in the clowns!	1/9/2025 9:16 PM
63	The Township needs a complete overhaul!	1/9/2025 9:04 PM
64	The bully of the township must go!	1/9/2025 8:58 PM
65	This survey seems a little one sided. I think there are problems with more than one trustee. And believe they all need removed and we start with fresh people. All of them have left a bad taste after the back and forth mud slinging. The cookie walk photo issue seems very odd as well. And based on time stamp Evans posted pictures first. So why would another trustee lie about it. Evans is bad enough without people adding to stuff. It makes everyone look bad	1/9/2025 8:56 PM
66	Evans is a cancer to Etna. He must go this November. He has driven all good people that worked for Etna out. HE MUST GO!!!!	1/9/2025 8:54 PM
67	Evans needs to resign. He creates a hostile work environment. Proven by lawsuit	1/9/2025 8:25 PM
68	Get Evans out!	1/9/2025 7:38 PM
